

Pull Out Program

at

Church of St. Patrick's in Armonk

At the Sunday 10:30 Mass, St. Patrick has a Pull Out Program for children who have not yet received First Communion. During the mass the children will proceed to the CCD class area for 20 minutes during the Gospel and Homily. A parent will use materials to recite, explain and expand on the Gospel so the children can understand it and incorporate the message into their daily lives.
